FFA Members of the Month

Samantha Lopez

Diego Zambrano

Samantha Lopez and Diego Zambrano have both been selected for our first FFA members of the month. Many things can be said about them both with Samantha always helping our officer team and being so hard working. Diego is always trying to help out and always having a big smile on his face, to brighten our day. These two members are greatly appreciated here at the Imperial FFA. We are proud to have them as our members and even more proud to call them our friends.
